

string

stdexcept

systemerror.h

```
graph BT; A[systemerror.h] --> B[string]; A --> C[stdexcept];
```

The diagram illustrates the relationship between the `systemerror.h` header and the `string` and `stdexcept` headers. At the bottom, a black box contains the text `systemerror.h` in white. Two blue arrows originate from the top of this box: one points diagonally up and to the left to a box containing `string`, and the other points diagonally up and to the right to a box containing `stdexcept`. Both target boxes have a light gray border.
